 14 September 2001

Dear P802.16/D4 Balloting Group:

Thank you for your participation in the Sponsor Ballot of P802.16/D4. The ballot closed on 9 September 2001. The results are, in summary:

29	Approve
4	Disapprove
3	Abstain
7	Not Voting

By virtue of these numbers, the ballot is considered to have passed.

We received 149 comments and resolved all of them during a session of the IEEE 802.16 Working Group this week. The comments and their dispositions are all reported in Document IEEE 802.16-01/47
http://iee802.org/16/docs/01/80216-01_47.pdf.

All but 13 of the comments were from Ballot Group members voting "Approve." Here is a table of the comments from the "Disapprove" voters:

Voter	Comment Numbers	Page Numbers of Comments
Peter Ecclesine	13, 32, 33, 41, 68, 148	17, 36, 37, 45, 82, 163
Arthur Light	39	43
Jenshan Lin	7	10
Chet Shirali	5, 14, 16, 19, 51	8, 18, 20, 23, 55

Please take this opportunity to review this package. You need not reply; if you do not, your current vote will stand. Based on these comment resolutions, you may change your vote. If you voted Disapprove, we prefer that you cast another vote so that we may see whether our resolutions have satisfied your comments. You may also submit additional comments that respond to these resolutions. If you wish to re-vote or comment, please keep the deadline in mind. Instructions have been provided by the IEEE Balloting Center.

Sincerely,

A handwritten signature in blue ink that reads "Roger B. Marks".

Roger B. Marks
