To: IP-OFDMA Evaluation Groups

The IEEE 802.16 Working Group appreciates your diligent efforts to study and evaluate the IP-OFDMA proposal in ITU-R Document 8F/1065.

We recognize and value not only the evaluation reports but also the questions submitted by the groups in various communications. We have taken note of answers provided to the evaluation groups by many technical experts.

In order to aid your understanding, we have undertaken the consolidation of all the evaluation group questions of which we are aware, along with answers provided by relevant experts. We have organized this material in a fashion that we believe may be helpful for your consideration. This is included as Annex 1.

Sincerely,

Roger B. Marks
