Boulder, CO 80303 USA

Dear Dr. Marks:

Thank you for your letter dated October 19, 2000 regarding your requests for comments on the two documents IEEE 802.16.1-00/01r4 and IEEE 802.16.2-00/01r9, dealing with the Air Interface for Fixed Broadband Wireless Access System and Recommended Practice on Coexistence of Broadband Wireless Access Systems respectively.

We have reviewed the above noted documents and have submitted comments for your consideration. The comments were submitted to you and Task Group 2 Co-Chair Mr. Andy McGregor on October 3, 2000 and re-submitted through the IEEE 802.16 reflector site on October 19, 2000.

I would like to congratulate you on your success in obtaining international participation and consensus in developing industry standards for fixed broadband wireless access systems. We thank you for the opportunity to have our staff members act as observers and contribute to the development of the documents.

In closing, I wish you success in the finalization of the documents.

Sincerely,

Dr. Veena Rawat  
Deputy Director General  
Spectrum Engineering Branch
