Chair, TTA PG302

Dear Prof. Hong,

Thank you for your letter of 24 February 2005 ([IEEE L802.16-05/018](http://www.ieee.org/standards/publications/IEEE_L802.16-05/018)) to the IEEE 802.16 Working Group, which was presented by Panyuh Joo on 14 March.

We appreciate learning of your intent to work towards complete harmonization of both TTA PG302 and IEEE 802.16 specifications, and we take note of your timeline. We welcome your technical comments as we complete the development of IEEE P802.16e, which we hope to complete by mid-August 2005.

For details of our session this week, please see the IEEE 802.16 Session #36 Report:
