Subject: Liaison Statement to the WiMAX Forum and IEEE received from the ITU-R WP 5D on ACS

Roger,

Thank you for the liaison statement dated 20 March 2008 in which you provided information relevant to the liaison statement from ITU-R Working Party 5D on ACS values.

The information that the IEEE 802.16 Working Group has kindly provided has been considered in detail within the WiMAX Forum Regulatory Working Group and has been taken into account in preparing the proposed reply from the WiMAX Forum to the ITU-R Working Party 5D group. The draft response from the WiMAX Forum to the ITU-R WP5D is attached below. The WiMAX Forum would be pleased to receive any observations on the draft document that the IEEE 802.16 group may care to provide from its forthcoming meeting of 12-15 May 2008. The WiMAX Forum would anticipate finalizing the document soon after this date and submitting it to the ITU-R WP5D after completion of its formal internal approval process for the proposed contribution.

Yours sincerely
