Dr. Roger B. Marks  
Chair, IEEE 802.16 Working Group

Re: Liaison statement concerning the IMT-Advanced development process

Dear Dr. Marks,

I received with great appreciation your liaison statement sent to Mr. Sakanaka regarding the IMT-Advanced development process (15 July 2010/IEEE L802.16-10/0075r1) together with drafted Form A.

Since Mr. Sakanaka has been transferred to another section, I am taking over his position now.

Japan fully agrees to your intention of submitting a GCS to ITU-R and also agrees to be listed as a source in the Form A. The contact information on this matter will be ARIB on behalf of Japan as shown below:

Mr. Yasuhiko WACHI  
Director of Land Mobile Communication Group  
Research & Development Headquarters  
Association of Radio Industries and Businesses (ARIB)  
E-mail: [y-wachi@arib.or.jp](mailto:y-wachi@arib.or.jp)

Please fill out [Japan contact] in the Form A with “Mr. Yasuhiko WACHI, Director of Land Mobile Communication Group, ARIB on behalf of JAPAN”.

And please feel free to contact me if you have any questions or need further information.

Sincerely yours,

Kazunori ECHIGO  
Director for Land Mobile Communications  
Radio Department  
Telecommunications Bureau  
Ministry of Internal Affairs and Communications (MIC)
