2010臺北國際花卉博覽會

TAIPEI INTERNATIONAL FLORA EXPOSITION

Complement Ticket sponsored by Taipei City Government.

“Taiwan is honored to play host to the 2010 exposition. Taiwan is the fourth country in Asia, and Taipei the seventh city, to host this event.

Taipei's people have amazing exhibition and landscape planning skills and the city boasts superb, modern public facilities. Taipei City government, in partnership with the Taiwan Floriculture Development Association (TFDA), gained the recognition of the international community in April 2006 by being selected to host the 2010 exposition. Taipei City, its government and its people have worked hard to ensure that the exposition is a stunning success.”
