

# 802.16 Task Group C Session #25 Report

# Highlights

- Resolved 112 comments plus 7 late comments on IEEE P1802.16.2/D1 (TSS&TP)
  - Determined we will need two recirculations
- Reviewed C1802.16.3-03/01 (RCT).
  - Revised version will be produced, and a call for working group comments on the revision will be issued.

# Motion

- "To adopt document 802.16-03/17r2 as the resolutions of Letter Ballot #10 comments, use them as the basis of draft P1802.16.2/D2, initiate Working Group Recirculation Ballot #10a, and empower Task Group C to resolve the comments received in recirculation and produce a resulting P1802.16.2/D3 for a second recirculation ballot prior to Session #26."
